

DOLCE

SEWING & THREAD RECOMMENDATIONS

THREAD SIZE

- Tex 70 (Size 69)
- Filament Twisted or Monocord Polyester/Nylon thread.

NEEDLE SIZE

- Range 16-22 (the higher the number the larger the needle size)
- 6-7 stitches per inch

CORRECTIVE ACTION STEPS

- Drop needle size, keeping thread size the same.
- Last resort change thread size to Tex 45 and reduce needle size.

SEAM

- Provide a seam allowance of at least 1/2 inch.
- The use of seam tape is recommended.
