REDUCE REUSE RECYCLE

Hi-Loft 3R® – Reduce Reuse Recycle defines Spradling's commitment to sustainability with its Hi-Loft 3R backing. Made from 100% post-consumer recycled polyester yarn, this version of Hi-Loft backing adds value to the supply chain while providing performance and comfort to Spradling's coated fabric upholstery. Hi-Loft 3R is available on Spradling's Invision product, or any custom design of your choosing.
